

*What do we know about
Jesus?*

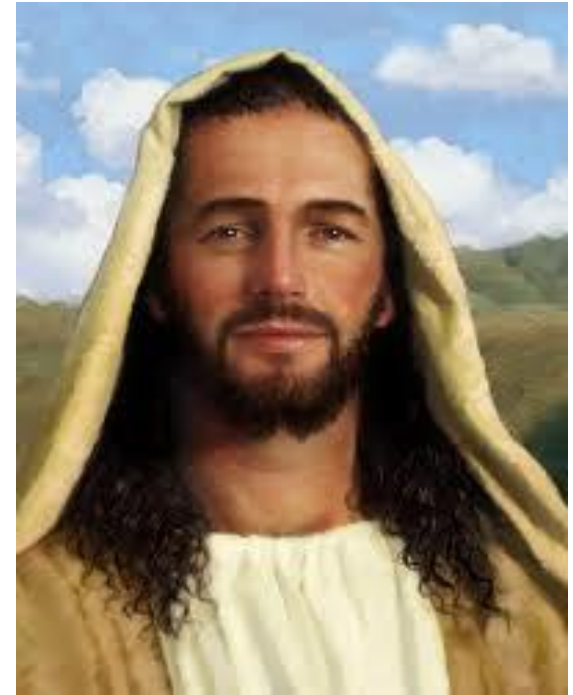

What do we know about Jesus?

- There are no records anywhere in the New Testament that describe what Jesus looked like, only the sort of person he was.

What we know about Jesus.

1. Jesus was a carpenter, so he will have been strong.
2. He was a Jew, so he may have been dark haired, dark skinned, brown eyes.
3. He was a wandering preacher, so he will have dressed in robes.

What do we know about Jesus?

Last week we shared what we know about Jesus. We were surprised to discover that we knew lots about him.

Today's task:

- ~ Write your name on your sheet
- ~ Write at least 6 facts about Jesus around the picture using the notes we made last week to help you
- ~ Remember to write neatly and copy spellings correctly
- ~ Colour the picture of Jesus using colouring pencils
- ~ When you have finished, swap with a partner. Can you write a comment at the bottom with a green pencil star?

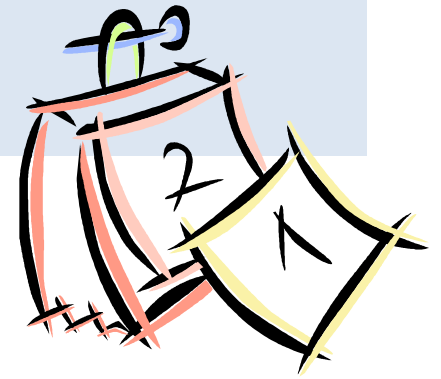

Remember to use your best handwriting!

I am looking forward to seeing your work!

*I know some key
Christian beliefs about
Jesus*

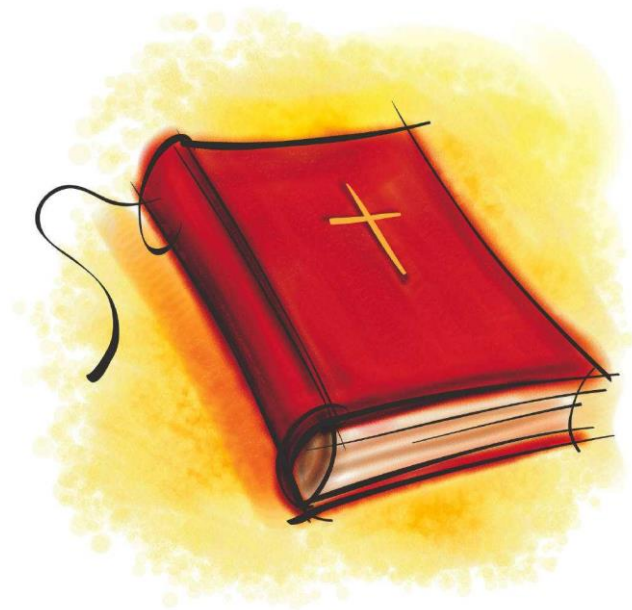

Jesus Christ was a real person who lived about 2000 years ago.

Jesus lived in an area which is now known as Israel.

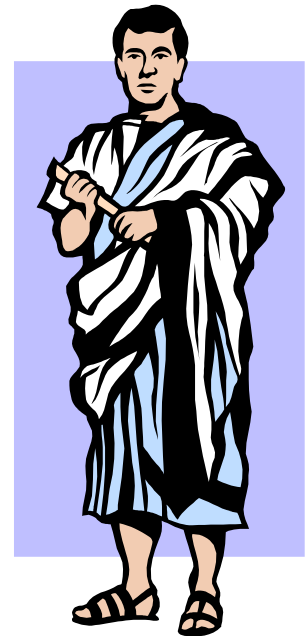

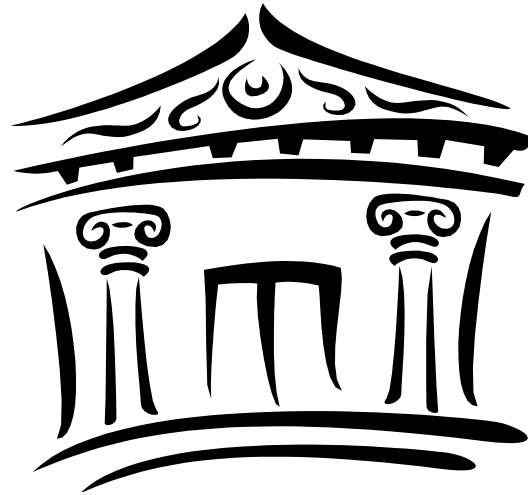

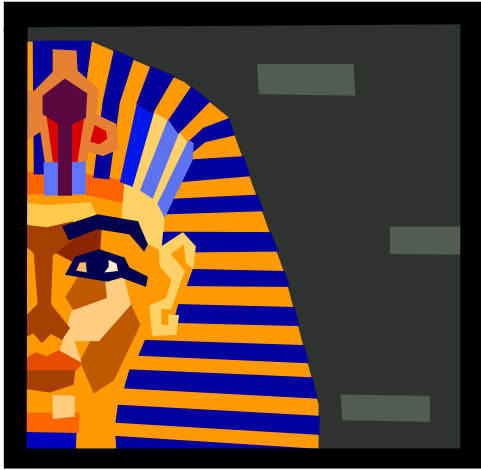

Christians believe that Jesus was the son of God.

The Christian calendar starts from the birth of Jesus.

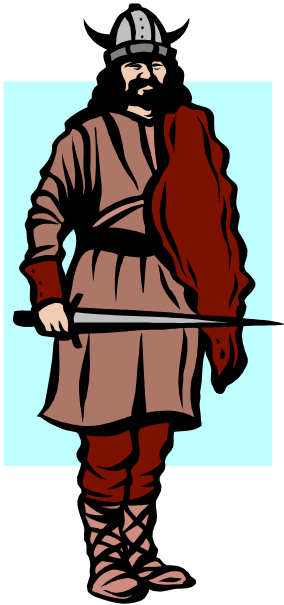

The years before the birth of Jesus are known as 'BC', which stands for Before Christ.

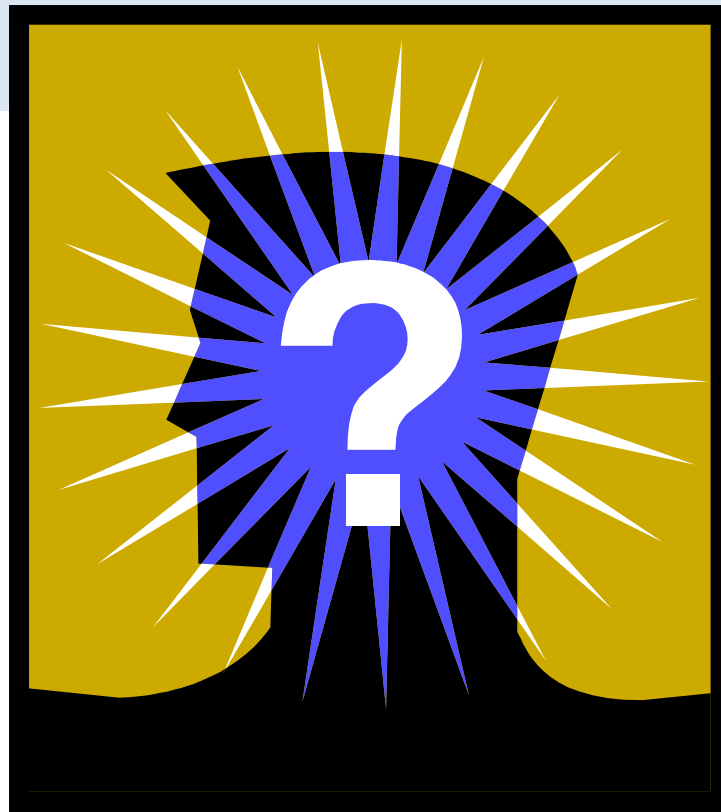

The years after the birth of Jesus are known as 'AD', which stands for Anno Domini.

This is Latin for 'the year of the Lord'.

There is no year zero, so the year AD 1 immediately follows the year 1 BC.

No one knows what Jesus looked like. There are no pictures of him made during his lifetime or even for about 150 years afterwards.

People who knew Jesus wrote recounts of the things that he did. These recounts are collected together in a book called the Bible.
